Re Unit 1/49 Elgar Road Burwood

It was a pleasure to have someone come in with such a professional manner. The quality of the workmanship I could not fault even down to the last detail. The way that the property was finished was exceptional with colour matching and no clean up on our behalf at all.

I have worked in the Building, Construction and Maintenance areas for the last 25 years and have not had or met Painters with so much pride in there work. It has been a pleasure doing Business with you and your team.

I wish you all the success in the future

Kind Regards
Nigel Graham
Managing Director
